4. Puppies (under 12 months of age) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season to be refunded with vet certificate from owner, or as otherwise agreed upon by the Trial Chairman.

*Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed/neutered. The offspring at their sides may be intact or spayed/neutered.
7. A terrier bred by a Sanctioned JRTCA Judge may not be shown under that Judge in the Conformation division.

10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for the measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. 13. Exhibitors participating in the JRTCA Working Terrier classes or Certificate Go-to-Ground must submit the appropriate JRTCA certificates with pre-entries or at the time of post-entry. The Judge may require a copy of the certificate be presented to the ring/den steward at the time of judging. Registered terriers may submit a copy of a NHC application signed by a JRTCA Working Judge within 30 days of the date it was issued.
14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered, and asked to leave the trial site.
15. All dogs must be leashed or crated except when competition requires off leash work. No liberty leashes allowed.
16. Overly aggressive dogs or an owner's failure to control his/her dog may result in disqualification at the discretion of the judges or the Trial Chairperson.
17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs, other than JRTs, on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.
19. Exhibitors are responsible to double-check the classes they have entered and be on time. No refunds will be given for missed classes.

Adopting a friend

Terriers are only placed in approved homes. We require anyone interested in adopting to complete an adoption application. We match potential homes with terriers based on the information in the application and with what we have learned about the dog. We may ask for a home visit or, if that is not possible, a photograph or video of the dog's prospective home. Rescue is a volunteer organization and relies upon donations and adoption fees in order to continue our efforts. We ask new owners for an adoption fee to cover veterinary costs, foster care expenses and any fees paid to shelters upon rescue. Adoption fees are \$150.00 for dogs over 1 years of age and \$175.00 for dogs under 1 years of age. New owners must sign a contract that states the dog will be returned to the rescue if it does not work out for any reason.

Mission statement:

IMPORTANT

The JRTCA is adamantly opposed to recognition/registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the working Jack Russell Terrier. In keeping with this policy, JRTC membership is limited to individuals who support the JRTCA's principles.

Registration of the Jack Russell Terrier (or any variant thereof) with any all-breed kennel club, or membership in any organization that supports all-breed kennel club recognition/registration, is not acceptable for application to membership in the JRATCA.

The Jack Russell Terrier is a unique working terrier that has remained virtually unchanged for more then 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure, and broad structural differences with in the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCA's unique registry, with its strict inbreeding limitations and health requirements, breed standard, Breeders' Code of Ethics, and working certificate, sanctioned judge and field trial programs are all designed to do just that. All those who support the JRTCA's principles are welcome and encouraged to join the JRTCA and help us preserve this great little terrier.
